Human rights Cell

Human rights cell came into existence in our college during the academic year 2022-23. The cell aims at creating awareness about human rights among the faculties, staffs, and students. It also aims at personality development of individual and to lead a decent and dignified life without infringing the rights of others. The cell is renewed for the academic year 2025-26

Vision:

The vision of the cell is to have the focal point for Human Rights practice in the campus and to be accessible to everyone and also to visualize a comprehensive society where everyone takes responsibility to promote and preserve human rights.

Mission:

- Is to promote, preserve and implement human rights through effective institutional policy development, capability building and control of human rights violations.
- By supporting each other in and out of the college campus through the awareness of Human Rights and protection of Human Rights by monitoring and accessing the observance of human rights through education and training the students on human rights issues.

Objectives

- Conduct Seminars and Workshops to raise awareness about Human Rights.
- Organize guest lectures and seminars by eminent lawyers and social workers.
- Conduct surveys and formulate case studies to help students understand the concept of Human Rights.
- Indulge in community integration activities to render service to the helpless and suffering.
- Empower and encourage students to exercise their rights and responsibilities to the best of their abilities.
